CHURCH OF SAINT MARY ROOF PROJECT

BEGINNING APRIL 6, 2026

Native Roofing has been hired to reroof the flat roof areas of the church. The map below outlines the areas to be addressed. Phase 1 includes the area outlined in BLUE and will begin on April 6th. They will start by removing the gravel, then commence roofing. The area for Phase 2 is outlined in RED and the same process will follow. The entire project is expected to last 4 weeks. The maintenance staff has worked closely with Native Roofing to ensure as little disruption to our campus as possible, but there will be inconveniences to our staff, parishioners, and visitors that cannot be avoided. Please bear with us during this critical construction project and alert the parish office of any issues. Thank you!
